PRODUCT DESCRIPTION

An eye-catching bundle of reeded glass cylinders are nested together creating a striking prismatic effect. Substantial finished hardware elegantly complements the delicate crystalline elements. The textural juxtapositions raise the bar for lighting design. Advanced driver technology helps achieve a clean, architectural look.

FEATURES

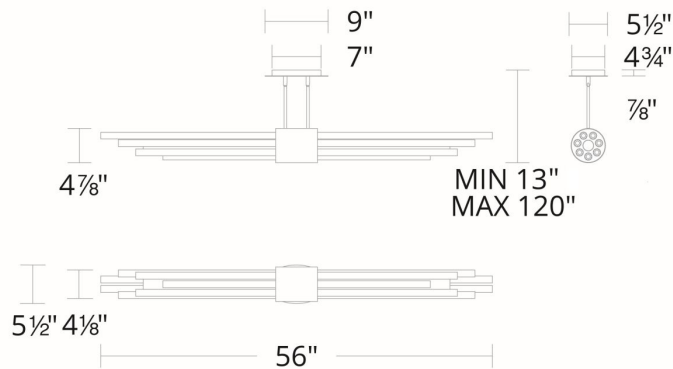

- Driver concealed within the canopy
- Extruded reeded glass
- Inner plate creates a mirrored effect
- Oval canopy with minimal hardware
- Slope ceiling adaptable. Hang straight swivels up to 90 degrees
- Six 12" and two 6" down rods included (additional sold separately)
- Not recommended for dimming @220V
