PRODUCT DESCRIPTION

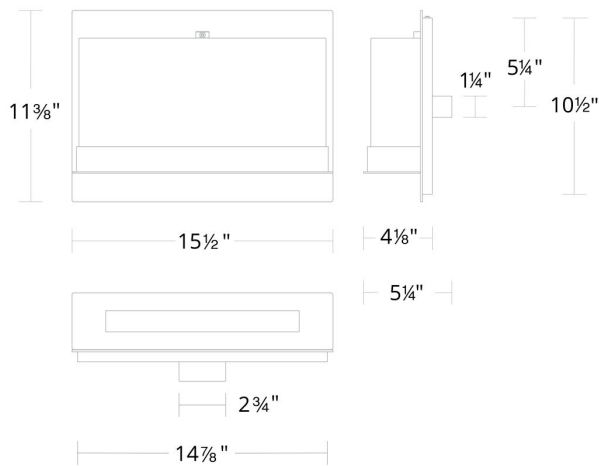

A luxe satin nickel stage keeps the focus on the main attraction—a beautiful box of pure ambient light. Hand-crafted mitered glass adds refinement to the presentation, while powerful LEDs inside communicate an incredible illumination perfectly tuned to the right color temperature, color rendering and lumen diffusion. A downlight underneath the base adds task functionality for versatility as a sconce or bedside light.

FEATURES

- 2700K and 3500K CCT option available for special order.
- Driver installed within the Junction Box, driver dimension: 2.8" x 1.3" x 1.2"
- White ceramic silk-screened mitered glass
- Up and down illumination
