Rain

WS-W2408

PRODUCT DESCRIPTION

This sconce perfectly captures that moment in the city—maybe it's New York, maybe it's Paris—when the rain is falling hard and the streetlamps make it shimmer, and you're filled with awe at the beauty of nature and light. The irony of this design, of course, is that it's weather-resistant and modernly finished, for an enduring, reliable illumination rain or shine.
